Landlord Agreement for Tenant Participation in Opportunity Gardens

Your tenant has applied to receive a vegetable bed through Opportunity Gardens, a program that provides people with the means to grow some of their own food. CCUA employees and volunteers install the beds and provide residents with soil and seeds. Should the tenant move, the garden can be removed and reseeded with grass at your request.

Please read and sign the following agreement and either return to renter or submit directly to CCUA by mail:

Columbia Center for Urban Agriculture
PO Box 1742
Columbia, MO 65205

Agreement

I, _____(landlord) the undersigned, understand and agree to the following:

- My tenant _____(name) at _____(address) has permission to participate in Opportunity Gardens, including permission to use a section of the property for installation of the garden.
- When tenancy ends, I agree to (check one):
 - require tenant to remove the garden for their own future use,
 - maintain, or have future tenants maintain, the garden, or
 - contact CCUA to remove the garden so materials may be used for other applicants.
